Governor DeSantis is expected to sign the proposal restricting instruction on sexual orientation and gender identity

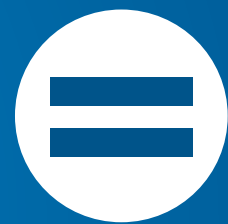

**IN CHICAGO, WE BELIEVE**

Government should lift up its residents, not create stigma and censorship.

All children, especially trans youth, need the support of family, friends, educators, and medical professionals.

Diversity, equity, and inclusion includes LGBTQ+ communities, identities, and experiences.

If you want to expand your company or career, you are welcome in Chicago.

We are building a Chicago that is **inclusive, equitable, and accessible**, for generations to come.
